Why this opportunity stands out

This is an opportunity to enter a new residential project in the Zayit neighborhood of Efrat at an earlier stage, with pricing that is difficult to find in today's market.

For buyers watching Israel real estate closely, the question is not only where to buy, but how to enter well.

- ✔ New project in a sought-after neighborhood
- ✔ Strong long term potential in a high demand area
- ✔ Built for families, second home buyers, and investors
- ✔ Guided by Jerusalem Heritage Realty
